Individual Membership -- The benefits of joining and supporting KZNGALTA

The KwaZulu-Natal Gay & Lesbian Tourism Association (KZNGALTA) is primarily non-profit business association that operates in the South African travel sector as a Community Tourism Organisation (CTO). We were established in 2004 and have been in operation for over 13 years now, with growth in our activities, reach and membership taking off in the past few years alone.

Our Vision

For KZN to be a globally recognised, pink-friendly, African tourism destination.

Our Mission

We will achieve our vision through a combination of:

1. close collaboration and engagement with all tourism stakeholders;
2. expanding and diversifying our marketing strategies and guiding those of tourism bodies;
3. supporting and participating pink events and activities;
4. ensuring representative and transformative policies are well implemented, monitored and evaluated; and
5. promoting the holistic integration of the LGBTI market within the KZN tourism sector.

Our Objectives

As per the KZNGALTA Constitution ([click here to download the PDF version](#))

Our Values

The KZNGALTA organisational values are proudly South African and enshrined on principles of mutual respect, non-discrimination, diversity, transparency, integrity, progressive thinking and fabulousness.

Ours is an inclusive organisation: we welcome all individuals and businesses, regardless of their orientation, who have a shared interest in and are keen to promote our Vision, Mission, Objectives and Values.

We feel that for now, it is important to highlight that membership of KZNGALTA in no way is indicative of individual orientation, nor does it imply the orientation of individuals within an affiliated organisation or business.
